Santa's Daily Mile:

1. Reindeer Power

the Daily Mile

Powered by LONDON MARATHON FOUNDATION

Teamwork is important in the Daily Mile! Santa's reindeers also work together, using their special 'Reindeer Power' to move his sleigh on Christmas Eve.

During this year's Santa's Daily Mile, you can generate Reindeer Power through your movement – running, walking, wheeling or however you take part in the Daily Mile!

Create two matching wristbands to help you 'power up'. Give one to someone who has supported you during the Daily Mile this year and keep the other. Wear yours as you generate as much 'Reindeer Power' as you can during Santa's Daily Mile.

Santa's Daily Mile

Give this wristband to someone who has helped you during your Daily Mile this year. This will help them gain even more power when they move during Santa's Daily Mile.

Santa's Daily Mile

Keep this wristband to wear during Santa's Daily Mile to power up and generate even more 'Reindeer Power' for Santa.
